Introduction

God has called us to make our church and ministries safe, protecting our children, youth and vulnerable adults from abuse and exploitation. God has also called us to create communities of faith where children, youth and vulnerable adults can be safe and grow strong. Jesus taught that “Whoever welcomes one such child in my name welcomes me.” (Mark 9:37 NRSV)

The Social Principles of The United Methodist Church states that "...children must be protected from economic, physical, and sexual exploitation and abuse." (Book of Discipline, 2012) At each child's baptism, we affirm our responsibility to their safety by our congregational response, pledging: "With God's help, we will so order our lives after the example of Christ, that this child, surrounded by steadfast love, may be established in the faith, and confirmed and strengthened in the way that leads to life eternal." (From The Book of Worship, Baptismal Covenant, Congregational Pledge II) Building on these foundations, we recognize that our faith calls us to offer hospitality and protection to all children, youth and vulnerable adults, as well as those who are committed to ministering to them as volunteers and employees.

Church of the Saviour has seen fit to outline policy and procedures that can 1) prevent abuse from happening in our church; 2) be a place where children, youth and vulnerable adults can feel safe in disclosing abuse; and 3) protect the loyal volunteers, workers, leaders and employees that minister to our children, youth and vulnerable adults. This policy sets forth the requirements in the areas of:

- Activities covered by this policy
- Screening
- Supervision
- Reporting
- Responding

The following “definitions” are presented in order of optimal implementation with flexibility for administering the policy when unforeseen circumstances occur while still providing appropriate supervision of participants and volunteers during ministry activities or functions.)

- 1. Training** - Training is a requirement for all staff and volunteers working with children, youth and vulnerable adults. The training includes but is not limited to the review of the Safe Sanctuary policy, emergency procedures, and current information on how to identify and report child or vulnerable adult abuse. Annually all are required to review the policy and sign that the policy has been reviewed
- 2. Two Adult Rule** - A minimum of two Adult Leader/worker/volunteers, preferably unrelated, is recommended to be present at all times at all activities covered by this policy. If the two adult Leader/worker/volunteers are related, then a third unrelated adult Leader/worker/volunteers is recommended to be present on site. For any mixed-sex overnight activity, there must be unrelated male and female adult Leader/worker/volunteer present. This may include the presence of an adult ‘monitor’ who moves in and out of rooms/ ministry activities known as the roamer. (See Items #6 and #10 in this section for additional clarification.)
- 3. Four Year Older Rule**- Adult leader/worker/volunteer must be at least 18 years of age and a graduate of high school who has complete one semester of college or is 6 months post high school graduation. (See Item # 10 under Supervision and definition of Monitor/Roamer for additional clarification.)

6. **Leader/Worker/Volunteer to Child ratio for all activities: See written explanation below chart for additional clarification.)**

Guideline for Volunteer to Student Ratios		
Age Level Ration	Children	Leader/Worker/Volunteer
Infants through kindergarten*	Up to 12	2 minimum, 2 Adult rule
* Must have 1:6 adult: child ratio	13-18	3
1st through 12th grade**	Up to 20	2 minimum, 2 Adult rule
** Must have 1:10 adult: child ratio over 10 children	21-30	3
	31-40	4

- a. Required (minimum number) Adult Leader/worker/volunteer Ratios. (See Item #2 for explanation of 2 adult rule.)
- b. Additional adult leader/worker/volunteer (other adults who are approved Adult/Volunteers) are required to maintain the following ratios of adults to children:

Infants through kindergarten: 2 adult Leader/worker/volunteer for up to 12 children; 3 adult Leader/worker/volunteer for 13-18 children (must maintain a 1:6 adult to child ratio).

First through twelfth grades: 1 adult Leader/worker/volunteer per 10 children (but still with at least 2 adult Leader/worker/volunteer always). For example, 30 children would be chaperoned by at least 3 Adult Leader/worker/volunteer, or 10 children would be chaperoned by 2 adult Leader/worker/volunteer.

8. **Activities Away from the church or Overnight** - The adult leader must have a completed activity release form and a medical release form for each participant when the activity or event involves any church provided transportation or an overnight stay. Copies of the forms must be taken on any off-campus event and the originals must stay at the church.

9. **Drivers of Vehicles** – All drivers must be at least 25 years of age, exceptions are 1) when a sibling under 25 may transport younger siblings only with written parental permission for a specific event or 2) requested and approved by the Servant Leadership Board or governing body. All drivers must complete the driver’s application for authorization and be approved to be a qualified driver. Required worker ratios apply to transporting youth and children to another location.

# of vehicles	Leader/Worker/Volunteer in each vehicle	Youth in each vehicle
1	2 non-related, with 1 being a qualified driver	2 or more
2 at least, in caravan	1 qualified driver	2 or more

- One qualified driver may transport two or more children/youth as long as more than one vehicle is involved in the trip.
- Two non-related adult Leader/worker/volunteer are required in a single car (not in caravan) with 2 or more children/youth. At no time is a driver permitted to transport only one child/youth.

The two adult rule may be waived. Whenever a child or youth seeks spiritual care, the person in charge of the ministry/activity must determine in the initial meeting if he/she is qualified to address the need effectively. The care and safety of the victim is our priority. Respond in a positive and supportive manner to the victim and the victim's family.
10. The Senior Pastor (or Servant Leadership Board Chairman) shall immediately call the superintendent of the district in which the church resides and report the allegations.
11. Further communication or steps taken with the staff, congregation, community or media shall only be taken after consultation with the district superintendent and the conference office.
