AUGUST 2022

Welcome
TO CHURCH

THANKS FOR COMING

A NOTE FROM PASTOR MESHACH

Meshach Kanyion
SENIOR PASTOR

Hello Church of the Saviour!

A common question that I've been asked by many of you, and other friends that are aware of my pastoral transition is, "How are things going so far?" My standard response has been, "We're off to a great start!" One of my friends that likes to dump cold water on cozy moments quickly reminded me that I'm still in the honeymoon phase! I guess he's right; even so, I couldn't imagine a better beginning. From the welcome on the first Sunday, to the emails and pop-in visits, to the Meet and Greets in the church parlor, and peoples living rooms, my family and I have felt the welcome of the Christ from you; thank you.

I'm also especially thankful for the Church of the Saviour (COS) staff (I'm really looking forward to working with this team!) and pastor Jenn. I recently told her that she should write a book on how to do pastoral transitions the right way. Although I hope I wouldn't need to read such a book anytime soon, I hope that when it's my time to say goodbye I can set the next pastor up for success the way she has set me up to succeed. (When you read this take a moment to thank God for her and pray for her success in her new role as District Superintendent.)

Over the last month I've learned so much about COS. One thing I've been particularly interested in, and this will be familiar to you if you've attended a Meet and Greet, is how COS has helped deepen peoples lives in God. The answers I've received let me know how important community is around here. In fact, community seems to be the foundation from which all growth begins and continues. From groups that just meet for fellowship, to those that meet for bible study, choir or band practice, book

studies, or to do service work together, all share the common bedrock of community. Knowing this we will need to work together to ensure that this communal need is being met in increasing ways, and that it continues to lead people down a path of knowing and being known by others and God.

Another question you might remember from the Meet and Greets, and I hope many of you are still thinking about it, is "How do we know when we are succeeding at, or successfully engaging, our mission?" As a reminder, "Our mission is to make disciples of Jesus Christ to transform the church, the community, and the world." That's pretty good; how do we know when we're doing it? This is a question I'd like to gain clarity on together at every level in our church, because when we do gain clarity we'll be able to focus our efforts, and bend our resources, towards those things that lead to discipleship and the transformation that comes from it. Look forward to those discussion opportunities.

You can also look forward to plenty of other opportunities to contribute to what God is doing at COS. Some of those include our Stewardship Campaign, Pumpkin fundraiser, and (dare I say it) Advent! Also, you may be aware of the vacant positions at COS, please be praying for those God is preparing to join us, and for those that are stepping up during the interim phase.

I'm thankful for the opportunity to join you and experience God's goodness and faithfulness with you.

Pastor Meshach Kanyion

Looking for a way to serve at Church of the Saviour? Join the Hospitality Team! Help us offer a warm Church of the Saviour welcome to our guests and congregation by serving

with the Hospitality team. We are always looking for smiling faces to serve in a variety of roles in both worship services, however we are most in need of ushers and greeters at the 9:30, contemporary service.

Both the ushers and greeters are welcoming our congregation. If you can smile, you can do this!

Your smile shares God's love with all who enter; leaving behind the stress of everyday life and welcoming all to enter into God's peace and presence. If you are interested in joining our Hospitality Team, contact Ann Wurster, awurster33@gmail.com.

Mrs. Erin Sprang & daughters Emma & Caroline will be leading the class that morning. Children 3 years-3rd grade will be dismissed from worship following the opening songs.

News from the Nursery

In our on-going effort to make our nursery both a welcoming and safe space for our little ones, new drop-off & pick-up procedures will begin August 21. Here is what you can expect:

Please check-in at the kiosk located outside the nursery doors. As you do so, please make sure your child's information & parent/guardian contact information is up-to-date in Realm (the online database used for check-in).

KIDS CORNER

After checking in, the nursery coordinator or a volunteer will greet you at the door & welcome your little one into the space. We ask that, unless necessary, parents/guardians stay on the outside of the gate.

If you need to enter the nursery to assist with the transition, please allow the nursery volunteers to engage with &/or distract your child so that you can leave. (Don't worry, we promise to contact you if we are unable to make your child feel comfortable!)

At pick-up, please wait at the gate, and one of the volunteers will bring your child & their belongings to you.

**Sometimes having mom or dad serve in the nursery does help with a child's transition. If you think your presence would help your child, or you are interested in serving in the nursery as a regular volunteer, please contact Frankie Hann, Nursery Care Coordinator at Frankie.hann@cos-umc.org or Michelle Shiparski, Director of Children's Discipleship at michelle.shiparski@cos-umc.org for more information.*

Farewell to Jayk

A proper farewell gives us a sense of closure and readiness to move into the next phase. The youth (and adult leaders) gave Jayk Hinze, Youth Pastor for the last 6 years, a heart-warming goodbye. Besides honoring him during his last Youth Sunday worship service in July, they made him a book of farewell letters,

threw him a surprise party, gave him a mission-trip-tshirt quilt, and even helped his family pack for the move to Athens.

Goodbye Jayk! We were blessed to have you for a season, you have made life-long friends here at Church of the Saviour!

The Next Youth Director

The search is on! A team of parents and SLB/SPRC members are helping Pastor Meshach interview candidates for the next Youth Director. Our ask of the rest of the congregation is to pray for the process and the people involved! In the meanwhile, a group of adult leaders and 12th grade youth are excited to be planning and leading youth group activities for the fall.

Summer 2022 Mission Trip

Denham Springs, Louisiana was HOT!! 44 youth and adult chaperones drove 1800 miles, served the community, made new friends, sang silly songs, prayed van prayers, ate awesome food and took notice of countless 'Jesus Sightings'. Mission Trip 2022 did not disappoint!

Fall Youth Group Kick-Off

Sunday August 28 - 6-8pm

Dinner will be provided. Youth 7th-12th grade AND their parents are invited. Come to hear plans for the fall, sign up to serve, play games, meet old friends and make new ones!

Finance UPDATES

Income vs. Expense	June 2022		2022 Year to Date		
	Actual	Budget	Actual	Budget	% of Budget
Income					
Tithes & Offerings	\$ 60,242.96	\$ 121,041.84	\$ 647,588.14	\$ 726,251.04	89.17%
Other Income	\$ 7,073.90	\$ 207.50	\$ 15,594.30	\$ 1,245.00	1252.55%
Total Income	\$ 67,316.86	\$ 121,249.34	\$ 663,182.44	\$ 727,496.04	91.16%
Total Expenses	\$ 140,549.00	\$ 121,033.57	\$ 670,159.43	\$ 726,502.92	92.24%
Net Operating Surplus/(Defecit)	\$ (73,232.14)	\$ 215.77	\$ (6,976.99)	\$ 993.12	-1.05%

Our YTD income is \$663,183.44, YTD expenses are \$670,159.43. The YTD operating deficit is \$6,976.99 which is 1.05% of our income. Although our income is under expectations, our expenses are under budget and not dramatically over running our income. The bottom line is that we have been managing our organization with a careful eye on both the budget and the actual income.

Included in June's expenses are several charges that hit once a year (\$2,000 for IT Software & support, \$2,100 for annual security monitoring, \$8,000 for the annual audit), the completion of a large Trustee project (\$13,500 for the sprinkler system, and a major repair item (\$3,000 for office HVAC repair). In June, annual events related expenses also hit the books for the youth choir trip, youth mission trip, and VBS. Some of the choir and mission trip expenses still need to be moved from the general budget to specific Designated Accounts. Once we get past the end of July, any outstanding additional expenses for these three events will be paid and will not recur until Summer 2023. In addition, expenses that should be paid for from Designated Accounts will also be moved from the General Budget to the specific Designated accounts.

In summary, June revenue was lower than YTD average and expenses were higher mostly due to some one-time occurrences. Finance committee is guardedly optimistic that we will be within budget on expenses and revenue will be on target for a solid year. Thank you for your continued stewardship so C O S can reach and exceed its ministry goals.

MUSIC MINISTRY CONTINUED

ACOLYTE MINISTRY FOR 4th-6th GRADERS

Our Acolyte Ministry offers kids in grades 4-6 an opportunity to serve in Traditional Worship on a rotating basis. Acolytes carry a candle lighter to the altar table to light the candles. The flame represents the Light of Christ coming into our presence. Because this happens in traditional worship, families of acolytes should plan to commit to the 11:00a worship service on Sundays when you serve.

Training involves learning how to carry the lighter, experimenting with lighting and extinguishing the altar candles, and where the equipment is located. Email Anna Yuhas at annayuhas@gmail.com if your child would like to participate in this ministry.

AUDIO/VISUAL VOLUNTEER OPPORTUNITIES

Audio Visual Techs help create an atmosphere where people can experience the presence of God. Team members operate audio, video, lights, and graphics to support the mission and message in worship. No experience is required. We provide all the training you need. Email Nick Stockburger at nick.stockburger@cos-umc.org today and get started serving in worship.

MUSIC ENROLLMENT FOR 2022-2023 BEGINS AUGUST 1

Does music bring you joy? Then we have a spot for you in our music ministry. As early as age 3 to as old as 104, everyone can join and be part of a group. We welcome singers, ringers, and instrumentalists into groups for kids, youth, and adults.

Enrollment opens August 1. Learn more or send a message from the music ministry website (www.cos-umc.org/musicministry). We are excited to get started in August and want to see you when practice starts.

WORSHIP FROM THE CHOIR LOFT

August 21 and 28 is your opportunity to sing with Covenant Choir and see what worship is like from the choir loft.

You can sing familiar music alongside choir members who provide support to give you a great singing and worship experience. All you need to do is arrive in the Music Room at 10:15 am on those Sundays.

Watch for reminders in August editions of the Newsflash. If you have questions beforehand, send an email to joe.galyon@cos-umc.org.

STEPHEN MINISTRY

Stephen Minister Interview with Mark Hoover

1. Did you have concerns or expectations when you chose to become a Stephen Minister?

I had contemplated becoming a Stephen Minister (SM) for many years, but with a busy work schedule and three kids at home, it never seemed like the right time.

However, three years before my planned retirement, I was asked to change jobs and come to work for a long-time friend. For the first time in a very long time, work travel and overtime work disappeared. It was like God was clearing my plate of excuses for not joining Stephen Ministry. I felt God had paved the way for me to make this commitment. I later found out it was to be one of the best decisions I have made.

2. What did you think was useful or valuable to you from your Stephen Minister training?

Two things stood out in my mind as being valuable assets that I acquired during Stephen Ministry training.

First, at the beginning of our class, the regular person who conducted all training was unavailable. Therefore, the Stephen Minister group shared the task of conducting SM classes by employing several active SM's.

This change brought a wide range of experience and ideas as to how to handle various situations to the table. By the end of the training course, almost every class member mentioned the use of multiple class instructors was a valuable part of learning how to become a good SM care giver.

Second, an important skill everyone in the class acquired was how to pray for your Care Receiver. I was initially not good at this and would avoid requests to do this in class.

When we got to the section of class on praying for others, both my partner and I had a real discomfort with doing this. In future classes my class partner and I took turns asking about how the other person's week had gone, and from this information, I learned how to pray for my partner and the challenges or the achievements she was experiencing.

By the time our training sessions had ended, my SM partner and I were much more comfortable with praying for others.

Like many things in life, you can be anxious about how to deal with new things at first. I learned that putting together a plan can often relieve that anxiousness and allowed me to move forward.

3. Why is being a Stephen Minister important to you?

By being a SM, we are fulfilling God's commandment to love others as you love yourself. By doing this, I often find that I get as much out of this work as those I care for.

4. What talents or spiritual gifts do you think are important for a Stephen Minister?

Here are my thoughts:

A. Caring for others.

B. Having empathy for others

C. Listening to others

D. Life experiences that you have had to help you understand how others might feel when facing a life challenge. Mine included having been there for both my grandmother's, my brother, and both my parents when they died; having been through a divorce and having been laid off once from work.

ADVENTURERS

Who are the Adventurers? A Message from the Presidents

Jenny Motley (jennymotley71@gmail.com) and
Karen VanWagenen (Vanwagenen.km@gmail.com)

"Indeed there are those who are last who will be first, and first who will be last."
Luke 13:30

Every summer, United Women in Faith offers engaging and transformational educational experiences at a yearly event called Mission U. The experience centers around an enriching curriculum which is designed to inform and inspire. It offers us an opportunity to grow spiritually, become more deeply rooted in Christ and motivates us to put faith into action. This year the 2022 Mission U titled "Who Can We Be Together?" was a biblical exploration of Luke 13.

In July, I had the privilege of attending Mission U, a virtual event hosted by the West Ohio Conference United Women in Faith. It was my first-time attending Mission U, and I did not know what to expect. Over the course of four evenings, in a group of approximately 25 members of United Women in Faith from various towns in Ohio, (including both women and men!), we took a deep dive into Luke 13.

Each session (8 in all, each 1 hour) included 3 readings from different bible versions (NRSV, NIV, The Message, etc.) of the same short passage in Luke 13. This was followed by whole group reflection, small group reflection, individual reflection, and tapestry thoughts (5 minutes of journaling through words and/or drawings of our key learnings and personal contemplations). The goal for participants was to listen and contribute to discussion rather than worrying about "saying the right thing." Interspersed during the study were music, poetry, and prayer to augment the immersive educational experience. Additionally, no homework was necessary, just your attentive presence.

Lessons from Luke 13 such as Jesus' command "to repent or perish," the parable of the fig tree, the act of healing on the sabbath, the metaphor of the narrow door and more showed us what it means to be a **community**. A community is defined as unified body of individuals that have common interests, goals, geographic boundaries, activities, or circumstances. At Mission U, we developed an even broader understanding of community. We discussed how Jesus, and therefore how we, should see, include, and lift-up those in our community who are marginalized. We learned about

faith

action

sisterhood

ableism (social prejudice against people with disabilities rooted in the assumption that disabled individuals require fixing), **advocacy**, **kingdom** (an inclusive term for God's community), **justice** and **repentance** (turning away from sin and *toward God*). In our study we witnessed Jesus' determination and persistence as he leads the people and his boldness as he challenges societal constructs. And throughout Luke 13 hope shines!

Mission U provided a contemplative, worthwhile way to read sacred scripture. I thoroughly enjoyed Mission U and would highly recommend this to anyone! This biblical class was efficient in that we unpacked so much meaning out of Luke 13, and effective in that we reflected key aspects within our own lives and situations.
