

THANK YOU FOR COLLABORATING WITH US

Here is additional information specific to churches who can host our concert.

ADVERTISING THE CONCERT

- We provide a press pack that includes several items to help you advertise our concert
 - Pre-written press release for host church to add its specific information
 - Graphics in various forms for use in print and digital media
 - Pre-printed posters for displaying on bulletin boards, windows, etc. (available by request)

SPACE NEEDS

- Performance space (we have a lot of flexibility with our instruments and handbell equipment)
- Changing rooms (Depending upon room size, we use 2-3 changing rooms to dress in concert clothes)
- Pre-concert warmup (usually a choir room or fellowship hall)

ARRIVAL

- We typically arrive at a host church between 3:00p and 3:30p.
- Host churches usually have a liaison to help us upon arrival.
- We need a mobile contact for the person who would be at the church for our arrival.
- We text the liaison when we are closing in on your location (maybe 30 minutes out).

UNLOAD

- Let us know the best spot to park and which building entrance to use.
- Before unloading, our setup team leaders need to see the performance space and changing rooms.
- Our setup teams unload luggage, bells, and other equipment to begin setting up for the concert.
- A lot of our equipment is on wheels.
- Ramps and ground floor entrances are the best, but we do unload using stairs as well.

SETUP

- Setup usually takes about 45 minutes.
- Let us know what sanctuary furniture we can move (if needed) to accommodate our equipment.
- We travel with a portable sound system,
- Churches sometimes offer the use of their audio equipment. (we would need a sound tech from the host church to assist our team.)

WARM-UP

- We warm up just after setup to get a feel for the space.

DRESSING ROOMS

- We change into concert clothes after dinner.
- After changing, we enter into prayer and prep to get ready for the concert.
- A large gathering room works best for our centering time.

DEPARTURE

- If we stay in host homes, hosts typically need to have our group members back to the church between 7:45 and 8:00a the next morning.
- We may request some space for group building exercises before we leave.
